OUR SERVICES

POST CONSTRUCTION

Charlotte
Pipe and Foundry Company

We help transform construction sites into clean, move-in ready spaces.

Our team provides a deep, detailed cleaning and arranges furniture according to the builder's specifications — always taking care of the final touches that make a difference for the client.

**FREAKY
CLEAN**

Charlotte Preparatory School

OUR SERVICES

COMMERCIAL CLEANING

Van Leeuwen Ice Cream

We use specialized cleaning protocols that focus on details often overlooked in conventional cleaning. Our services help the food industry and enclosed workspaces reduce cross-contamination and the spread of germs, creating a safer, healthier, and more harmonious environment for those who occupy it.

THEY TRUST US

Chris hiatt:

Top notch cleaning service ! Working as a general contractor, I'm constantly looking for a quality cleaning service, Freaky Clean exceeds our expectations and is always there for us when need them.

Karla Hao:

so clean it's freaky... i felt so freaky after coming here...

Gala Palmer:

For more than five years, I have been using Freaky Clean twice a month to clean my 2600 sq. ft. home. They are careful, trustworthy, reliable, and efficient. In addition, they are friendly and kind, going out of their way to do extra jobs, often without my asking. I highly recommend them, and in fact can't imagine doing without them.

Scott Snyder:

I use Freaky Clean for post construction cleanings and office cleaning. They are very attentive, responsive, and on time. Highly recommend for a wide variety of cleaning services.

Michael Duncan:

I have worked with jhanny and her employees for over 10 year's having her clean Dominos pizzas. They are very professional and a pleasure to work with

Nick Cevallos:

I previously worked for a general contractor and hired Freaky Clean on all of my projects! Exceptional service and best customer service in the industry. Reliable and exceptional results from a well managed company.
